

Annual membership runs from the last Wednesday meeting each January. You can purchase membership cards at any of the monthly meetings although, as you progress through the year, the financial benefit will decrease. The subscription is £12 which gives you free entry to talks and walks run by Fleetville Diaries. There is no subsidy on excursions which involve other organisations. Membership isn't essential; if you just attend occasionally, you can simply pay £4 on entry.

I hope you find a warm welcome at Fleetville Diaries!
